**INREGISTREAZA-TE**

Niek ROOZEN este arhitect peisagist din 1974. A fost arhitect peisagist coordonator al

Expozitiei Mondiale de Horticultura “Floriade” organizata in 2002, in Olanda. Cu ocazia acestei expozitii, Niek Roozen a introdus conceptul “The Green City Philosophy”, care este o strategie “verde” de dezvoltare urbana, folosind influenta pozitiva a plantelor asupra mediului.

---

Din 1998, Niek Roozen a fost implicat in numeroase proiecte mari de amenajare urbana, cele mai multe in China. Unul din cele mai cunoscute si premiate proiecte care poarta marca Niek Roozen este Parcul Central al Expozitiei Mondiale de la Shanghai in 2010.

Alte proiecte remarcabile: amenajarea axei Hunnan, Baita Park, Parcul Olimpic Sportiv de pe raul Hun, toate in colaborare cu municipalitatea orasului Shenyang.
