SHARE TALKS PRAGUE

Future of Architecture

3rd October

New Building
of The National Museum

SHARE Fall Series: Remembering SHARE Talks Prague 2019

On October 3, we've had the honor to organize a different type of SHARE conference in Prague, at The New Building of the National Museum. **SHARE Talks Prague 2019** was themed "the future of architecture" and it brought on stage an elite panel of 7 speakers from 7 countries who covered talks and debates on the latest innovations shaping the future of architecture.

Our vision for SHARE Talks Prague 2019 was to put together a closeup where our delegates had the opportunity to participate in debates and listen to insightful project presentations of our speakers. Promising to become a landmark for cultural architectural events in the Czech Republic, **SHARE TALKS PRAGUE 2019** was organized alongside the **Czech Society of Architects** and it gathered some of the most important contemporary architects as speakers. The event also hosted the launch of the book *"Designing the profile of the future architect"*.

SHARE Talks Prague 2019 was organized in collaboration with Grand Prix Architektů, the second consecutive architectural show in the Czech Republic where over 300 project entries will battle to win the Blue Cube, GPA 2019 – Grand Prix of Architects 2019.
