SHARE Architects Days: Tickets available now

February 15, 2021

- SHARE Architects Days, April 13-16, 2021
- A virtual exhibition of the most active architecture offices
- Live presentations, 1:1 networking, conference program

SHARE Architects Days will be a digital platform for architects and investors. From April 13th to 16th, exhibitors – architecture practices - will present their portofolio and operational capacity, and will also offer virtual one-on-one meetings. An extensive conference program will also be organized. You will find all the information you need on the [SHARE Architects Days website](#), which will be expanded continuously over the coming weeks.

"In the context of the prolonged pandemic crisis, in April 2021, SHARE Architects Days will give the industry a platform where architecture practices, investors and companies can network and obtain information," says Florin Mindirigiu, Event Director. SHARE Architects offers live presentations from exhibitors, 1:1 meetings with exhibitors and a comprehensive conference program.

Video calls with exhibitors and live presentations

To take part in SHARE Architects Days, you must first register at www.days.share-architects.com.

Digital one-on-one meetings will replace personal meetings at the booth. In advance of the event, participants can arrange personal video calls with exhibitors and tell them what they would like to discuss.

The main topics of the conference program

The main topics of SHARE Architects Days also determine the online format: Educational and Cultural Architecture; Healthcare and Public Architecture; Hospitality and Workplace Architecture; Residential Architecture;

Another topic for discussion will be "Business of Architecture". SHARE Architects will broadcast live talks with inspiring insights, overview of the sector, aspects specific to leadership and management of architecture offices. The entire content and events will be live streamed.
