SHARE Architects DAYS is received with great response: Notorious architecture practices have registered to offer live presentations and one-on-one meetings at the digital event held from April 13th to 16th, 2021. Exhibitor's registration will be open until the first of April. The conference program—curated by SHARE Architects and [the Consultative Council of Architects in Central and Eastern Europe \(CCA- CEE\)](#) —will offer further valuable insights.

Some of the first registered exhibitors at the SHARE Architects first virtual trade show:

### **Yellow office - ROMANIA**

The office's main areas of expertise include commercial, hospitality and interior architecture.

### **KWK PROMES - POLAND**

The main focus of the office is on residential and public architecture.

### **Westfourth architecture - ROMANIA**

Westfourth continues to work with its corporate and institutional clients to achieve their goals and to address the challenges of contemporary architecture.

### **Grosu Art Studio - ROMANIA**

The main goal of the office is to offer the restaurant, cafe or hotel you invest in the right interior to attract customers.

### **Studio Synthesis - MONTENEGRO**

The multidisciplinary architectural office integrates the disciplines of design, architecture, urban ecology, sociology, and landscape architecture.

### **Formika plus - NORTH MACEDONIA**

The office works for individual houses, small and large residential buildings, business facilities, industrial and storage facilities, health care facilities and public facilities.

### **Vardas Studio - CYPRUS**

The studio has completed work for individual houses and housing development.

### **Tecto Arhitectura - ROMANIA**

The practice has diverse experience in private and public architecture, especially by the integration of wood and sustainable materials.

### **Kontra arhitekti - SLOVENIA**

The work of the office ranges from small designs and houses to more complex urbanistic designs. Most of their realised work is in the field of public buildings (kindergartens, sport halls and complexes, home for elderly, castle renovation,...).

### **Enota - SLOVENIA**

The work of the office is focused on hospitality & healthcare architecture.

### **RADiUS architecture - NORTH MACEDONIA**

RADiUS is an architecture and design studio with works in commercial

### **Miolk - ROMANIA**

The practice is specialized in public and private architecture with the main focus on hospitality and commercial buildings.

### **STUDIO SIMOVIC - SERBIA**

Studio Simovic works in fields of architecture, interior and exterior design.

## **Mackay + Partners - UK**

They create buildings, interiors and products. They have collaborations in New York and Milan and other overseas connections with the main expertise being in hotels, high-end residential, corporate headquarters, refurbishment and master planning.

## **About SHARE Architects**

The SHARE Architects Forum has created in the past 24 years an essential networking platform for

professionals in the AEC (architecture, engineering, and construction) industries from Central and South-Eastern Europe. The forums create an efficient platform for getting in contact with and understanding the diversity of the contemporary architectural phenomenon. Presently, the SHARE events are held in 15 countries from Central and South Eastern Europe and the SHARE Community has over 50.000 members worldwide. For customer service, bookings, and sponsorship opportunities please contact us at [share@abplusevents.com](mailto:share@abplusevents.com).
