SHARE Bucharest 2022

Two days, 60 speakers and an enthusiastic audience of over 350 participants:
The SHARE Bucharest 2022 story.

Over 60 speakers shared an integrated vision of planning, architecture, and cutting-edge facade technologies over the course of the two days at **SHARE Forum Bucharest 2022**, along with game-changing ideas and inspirational projects from Romania and 14 other nations.

The International Forum of Architecture and Construction Engineering, SHARE Bucharest 2022, the most important and eagerly awaited annual event in Romania, took place on 31 October and 1 November. It brought together leaders of architecture from Romania and abroad, as well as professionals in related fields.

SHARE Skopje 2022

Over 250 participants joined us at the 5th edition of
SHARE Forum in North Macedonia.

The fifth edition of the International Architecture and Engineering Forum, **SHARE Skopje 2022**, took place on 15 November 2022 at the Macedonian Philharmonic.

The SHARE Skopje 2022 Forum was organised by SHARE Architects, the largest network dedicated to architecture and construction professionals in Central and South Eastern Europe, together with The Association of Architects of Macedonia and with the support of the Chamber of Certified Architects and Certified Engineers of Republic of Macedonia and University American College Skopje.

SHARE Sofia 2022

Over 250 participants joined us at the 6th edition of SHARE Forum in Bulgaria.

The **SHARE Sofia 2022 Forum** 🇬🇧, held on 11 October, brought together outstanding speakers from Bulgaria, the UK, the Netherlands, France, Lithuania, Turkey and Cyprus. The event organised by SHARE Architects and the Bulgarian Chamber of Architects (CAB) took place at the Hyatt Regency Sofia.

The SHARE Sofia 2022 Forum focused on the design and performance of the next generation of facades and their impact on improving public space, as well as showcasing major urban development projects from Bulgaria and internationally.

SHARE Belgrade 2022

Over 300 participants joined us at the 4th edition of SHARE Forum in Serbia.

Professionals, innovation, knowledge exchange: the fourth edition of **SHARE Belgrade Forum** 🇷🇸 took place on 23rd of November at Metropol Palace Hotel and gathered over 300 participants.

Architecture leaders from Serbia and abroad, as well as professionals in related fields, met in Belgrade. The event was an opportunity to network with the most representative figures in the field of architecture and construction. The SHARE Belgrade 2022 programme included many topics of interest, in line with society's current concerns to create urban spaces and buildings able to address climate challenges.

SHARE Sarajevo 2022

Over 200 participants joined us for the first edition of SHARE Forum in Bosnia and Herzegovina.

The first edition of the **SHARE Sarajevo 2022** – International Forum for Architecture and Engineering took place at the Hills Hotel on 14 June, with the main theme of the future of urban life. The event was attended by over 200 participants who particularly appreciated the opportunity to know the vision and insights of great architectural projects as well as the connection and networking with Bosnian colleagues and guests from 5 other countries.

The 2022 edition of SHARE was organised by SHARE Architects and the Association of Architects of Bosnia and Herzegovina (AABiH) The SHARE Sarajevo 2022 Forum showcased large-scale projects and addresses sustainability through design and the future of urban living. Innovative leaders in architecture and building technology took to the forum stage.

SHARE Budapest 2022

21 speakers and over 150 participants joined us at the 6th edition of SHARE Forum in Hungary.

The 6th edition of **SHARE Budapest 2022** Forum welcomed over 150 participants, 21+ speakers, and guests from 9 countries. All the attendees helped us build momentum in architecture with incredible speeches and insightful projects and presentations. SHARE Budapest 2022 was organized by SHARE Architects together with the Budapest Chamber of Architects and was accredited by MÉK - Continuing Education Accreditation: 3 points (2021/173).

SHARE Tirana 2022

35 speakers and over 200 participants joined us at the 4th edition of SHARE Forum in Albania.

On 3 March the fourth edition of the **SHARE Tirana 2022** Forum was announced. Over 200 architects joined us and reminded us of the strong community that has supported us over the years. Speakers from Albania, Kosovo, North Macedonia, UK, Portugal, Netherlands, Germany and Cyprus took the stage and shared with us their latest architectural innovations and projects.

We have to thank the guests of honour who supported our event: Elva Margariti, Minister of Culture of Albania, Erion Veliaj, Mayor of Tirana, Frida Pashako, Director in the Department of Territorial Development Control, Municipality of Tirana.

SHARE Interiors 2022

SHARE Interiors Forum - professional networking at the highest level in the community of architects and interior designers in Romania.

SHARE Interiors Romania, a SHARE Architects event, organized with the support of the Faculty of Interior Architecture of the University of Architecture and Urbanism "Ion Mincu" and the Romanian Order of Architects, took place on 12 April at the Radisson Blu Hotel in Bucharest, in the presence of over 250 participants and 45 speakers. Dedicated exclusively to architects and interior designers, the event focused on professional networking at the highest level and offered 8 intense hours full of energy and the joy of meeting each other.

SHARE Experts meeting on Healthcare Architecture and Design

The most important conference of medical architecture specialists in Romania.

The conference for specialists in healthcare architecture and design , initiated by SHARE Architects, brought together in Bucharest earlier this week more than 150 specialists in the field of medical infrastructure design from Romania, France, Turkey, Cyprus and Italy. As one of the most important events in the Romanian and healthcare sector, the conference was attended by architects, plant engineers, structural engineers, medical and medical technology consultants, as well as MEP consultants and hospital directors, with the aim of debating topics of current interest in the healthcare sector and offering concrete solutions by presenting case studies of hospitals in Romania, but also in Europe. The conference took place in 2022 on the 30th of May.

CONTRACTOR Pristina 2022

35 speakers and over 150 participants joined us at first SHARE event in Pristina.

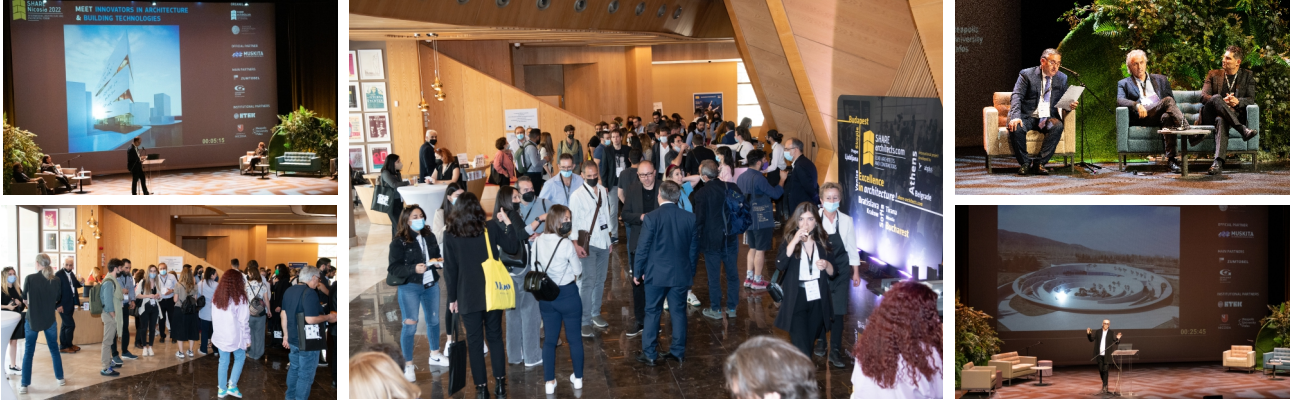

On the 28th of February we celebrated architecture in Pristina at the 1st edition of **CONTRACTOR**  – architecture and urban development conference. SHARE was welcomed to Pristina with open hearts and we appreciate the constant support and involvement of the local architects in the development of the conference.

More than 150 audience members joined us for a full day of lectures, exhibition networking, debate discussions and celebrations in the spirit of SHARE Architects.

SHARE Nicosia 2022

25 speakers and over 150 participants joined us at the first in-person SHARE Forum in Cyprus.

The **SHARE Nicosia 2022 Forum** featured architects with outstanding projects and international leaders in innovation and building technologies. Through architectural presentations and discussions, the SHARE Nicosia Forum provided cutting-edge information and knowledge, as well as the opportunity for professional networking at the highest level. The event was organised by SHARE Architects together with the Cyprus Architects Association and The Cyprus Scientific and Technical Chamber (**ETEK**).

SHARE Athens 2022

30 speakers and over 150 participants joined us at the 4th edition of SHARE Athens 2022.

The fourth edition of the international architecture forum **SHARE Athens 2022**, held at the Benaki Museum - PIREOS 138 on 12 May, featured international guests and leading figures of Greek architecture. As always, the SHARE Forum became the stage for excellence in architecture and offered great opportunities to get to know the vision of outstanding architects and establish high-level professional relationships.

What's next at **SHARE Forum** in 2023!

The **SHARE Architects forums** have been in pursuit of excellence in the fields of architecture and construction and the events we have planned for 2023 make no exception. They will be even more complex, dynamic, and insightful, addressing the following areas: Façade design and engineering, Large scale development projects, Urban Development, Structural use of glass, Fire protection of facades, Healthcare Architecture, Logistics and industrial architecture, Residential Architecture, and Interior architecture.
